WORK EXPERIENCE

INTELLIVO FKA BENEFIT RECOVERY GROUP • Memphis, TN • 07/2023 – 04/2025

People Operations Partner

Strategically partnered with senior leadership to drive HR initiatives that aligned with business goals, optimized talent performance, and enhanced employee engagement across Operations, Finance, Accounting, and IT.

- Led the integration of a 150-employee acquisition within 3 months, achieving seamless onboarding and cultural alignment through strategic planning and collaboration.
- Developed and implemented employee relations frameworks, including investigations, progressive discipline, and conflict resolution, ensuring fair, consistent management practices.
- Consulted with managers on promotions, salary reviews, performance management, and development initiatives, fostering employee growth and engagement.
- Streamlined HR processes and reporting, enabling leadership to make informed, data-driven decisions.
- Transformed the employee lifecycle approach by integrating goal-setting and feedback processes, fostering a culture of continuous improvement and significantly enhancing employee engagement within 6 months.
- Crafted a strategic People communications plan within 6 months, boosting employee engagement by 20% through clear and transparent messaging.
- Led the successful implementation of a new project management framework, enhancing organizational development and improving project delivery efficiency by 25%.
- Revamped the intranet to support transparent communication, fostering a culture of connection and engagement that led to a significant boost in employee satisfaction.
- Created comprehensive templates and workflows for employee management, resulting in a 30% increase in leadership efficiency and improved team performance.
- Managed HRIS configuration and optimization in BambooHR as system super admin, building modules, workflows, and dashboards.
- Partnered with Operations & Client Service leaders to create talent strategies that drove a 20% increase in time-to-productivity within 3 months, aligning with revenue objectives.
- Developed total rewards strategy, including compensation philosophy, pay band design, incentive structure, job architecture, job leveling frameworks, and benefits programs.
- Oversaw multi-state compliance efforts across 30+ states (including CA and NY), ensuring policies, postings, and documentation remained aligned with complex and evolving regulations.

- Led a team of 3 HR professionals to enhance operational efficiency, implementing streamlined processes that improved service delivery within 6 months.

AOC RESINS LLC • Collierville, TN • 03/2021 – 06/2023

Senior Human Resources Generalist

Partnered with leadership to manage HR operations, employee relations, and talent initiatives for 300 employees across North America, including Canada and Mexico. Focused on operational efficiency, workforce engagement, and strategic HR solutions to support business objectives.

- Led full-cycle recruiting efforts, enhancing talent acquisition processes and reducing time-to-hire by 20% within 4 months, ensuring alignment with organizational growth objectives.
- Developed and implemented wellness initiatives, including a monthly newsletter and the Calm App, enhancing engagement and supporting mental health with minimal cost.
- Served as a trusted HR partner to leadership across multiple regions, providing guidance on strategic and operational HR matters, compliance, employee relations, and data-driven recommendations informed by HRIS reporting and trend analysis.
- Led initiatives to improve internal communication channels, fostering a culture of transparency and connection that supported team productivity and engagement.
- Managed end-to-end benefits administration, including enrollments, vendor coordination, fringe benefits, federal and state compliance, and audits—identified savings opportunities through audit efforts, reducing annual costs by \$50K
- Managed HRIS configuration and optimization in Paycom as system super admin, building modules, workflows, and dashboards; enhanced reporting efficiency, saving 3 hours weekly and strengthening data accuracy and analytics.
- Implemented scalable SOPs that improved data integrity and reduced administrative inefficiencies by 25%, streamlining HR operations within 4 months.
- Executed a comprehensive strategic plan for annual benefits renewals and open enrollment, ensuring clear communication and expectations that improved overall employee satisfaction.
- Collaborated with leadership to identify and develop high-potential talent, enhancing succession planning and ensuring leadership continuity.
- Facilitated organizational change initiatives, providing leadership support that enhanced team adaptability and streamlined workflows, ultimately improving service delivery.

THE JAMES GROUP LLC • Memphis, TN • 11/2016 – 03/2021

Benefits Consultant

Managed benefits administration and partnered with leadership to drive talent strategy, optimize programs, and enhance employee experience for 5,000+ employees across a client portfolio of 25+ companies. Oversaw vendor relationships, RFPs, and system implementations to improve efficiency, compliance, and strategic decision-making.

- Partnered with senior leadership to design and implement benefits programs aligned with organizational goals, talent acquisition, and retention strategies.
- Advised on vendor selection, program renewals, and total rewards initiatives, achieving an 8% cost reduction while maintaining high-quality offerings.
- Served as primary contact for employee benefits inquiries and claims, maintaining a 95% satisfaction rate and supporting workforce engagement.
- Led implementation and optimization of benefits administration systems, training 10+ associates and saving an average of 5 hours per week.
- Conducted benefits market analyses, compliance audits, and data-driven reporting across 25+ clients, translating insights into strategic recommendations for leadership.

- Drove process improvements through SOP creation, system transitions, and data streamlining, reducing renewal errors by 25% and increasing operational efficiency and supporting strategic HR planning.
- Influenced organizational growth and client retention through strategic benefits recommendations, driving a 20% increase in new client acquisition.
- Streamlined project prioritization processes for leadership, ensuring timely execution of initiatives and fostering a culture of collaboration across departments.
- Developed a strategic roadmap for total rewards optimization, aligning offerings with organizational goals and enhancing employee engagement across client portfolio.
- Created employee-facing materials and total rewards communications to improve understanding, transparency, and utilization of benefits offerings.
- Managed team of 2 account managers, increased team performance by 30% through effective management and targeted development initiatives.
